Federal Funding Resources

[DELTA REGIONAL AUTHORITY](#)

The Delta Regional Authority works to improve regional economic opportunity by helping to create jobs, build communities, and improve the lives of the 10 million people who reside in the 252 counties and parishes of the eight-state Delta region. The Delta Regional Authority fosters local and regional partnerships that address economic and social challenges to ultimately strengthen the Delta economy and the quality of life for Delta residents.

[ECONOMIC DEVELOPMENT ADMINISTRATION INFRASTRUCTURE GRANTS](#)

As the only federal government agency focused exclusively on economic development, the U.S. Department of Commerce's Economic Development Administration (EDA) plays a critical role in facilitating regional economic development efforts in communities across the nation. EDA works directly with communities and regions to help them build the capacity for economic development based on local business conditions and needs.

[FEDERAL EMERGENCY MANAGEMENT AGENCY HAZARD MITIGATION ASSISTANCE GRANTS](#)

Hazard Mitigation is any action taken to reduce or eliminate long term risk to people and property from natural disasters. Hazard Mitigation planning is a process used by state, tribal, and local governments to identify risks and vulnerabilities associated with natural disasters and develop mitigation strategies to reduce or eliminate long term risks. Examples of Hazard Mitigation projects funded by FEMA's Hazard Mitigation Assistance grant programs may include, but are not limited to buy-outs, elevations and safe rooms.

[JUSTICE ASSISTANCE GRANT PROGRAMS](#)

The JAG Program provides states, tribes, and local governments with critical funding necessary to support a range of program areas including law enforcement, prosecution, indigent defense, courts, crime prevention and education, corrections and community corrections, drug treatment and enforcement, planning, evaluation, technology improvement, and crime victim and witness initiatives and mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams.

[USDA RURAL DEVELOPMENT GRANTS/LOANS](#)

The USDA promotes economic development by supporting loans to businesses through banks, credit unions and community-managed lending pools. They offer technical assistance and information to help agricultural producers and cooperatives get started and improve the effectiveness of their operations.
