#### **Welcome and Comments**

Conya Spencer, Director of Economic Development, CAPDD, welcomed all the attendees, expressing appreciation of their attendance and participation.

---

### **Resiliency and SWOT Priorities Discussion**

April Campbell, Community Economic Development Specialist, AEDI, discussed the resiliency and priorities section of the CEDS that was developed by the CEDS Subcommittee. Little discussions were forthcoming as everyone was in agreement with the outcome. April also provided the attendees with the final CEDS process which entails UALR staff compiling the complete CEDS document which will be provided to the CEDS committee for final comment before being presented to the PDD Board of Directors for adoption. Once adopted the plan will be sent to EDA.
